

Brookfield Real Estate

Background on the company	Brookfield Real Estate is the real estate investment platform of Brookfield Asset Management. We have US\$278 billion of assets under management, over 500 million commercial square feet in our portfolio, and over 25,000 operating employees. We are one of the world's largest and most successful real estate investors, with a legacy spanning more than a century and a reputation for delivering value through all market cycles. We buy, build and actively manage institutional-quality real estate companies, platforms and properties. Our investment philosophy is simple and consistent: acquire high-quality assets, invest on a value basis, and enhance value through active management. Our global footprint and deep operating expertise allow us to spot trends in real time and enhance efficiencies to consistently deliver strong returns for our investors through market cycles. Brookfield Asset Management is a leading global alternative asset manager with over \$1 trillion of assets under management.
What you will be working on	We strive to embed sustainability practices throughout our business, underpinning our goal of fostering a positive work environment and having a positive impact on the communities and environment within which we operate. There is one internship available and by working with Brookfield, you'll be supporting the development and implementation of strategic and operational Real Estate group-wide sustainability initiatives, supporting our portfolio management and investment teams, and assisting with external-facing communications. You'll also be supporting with sustainability reporting including facilitating sustainability information collection for various reporting frameworks. You will also have the opportunity to work with our global business teams to assess, tailor and implement sustainability industry best practices across Brookfield Real Estate.
Team	You will be working as part of the Sustainability Management team at Brookfield Real Estate.

Timing	The timing of this internship can be aligned to the student's academic year, either: • To take place over the student's summer break or to fit a programme-specific internship window (6-12 weeks); or • An end of study internship (up to 6 months, or potentially longer).
Location	The location of this internship will be in Toronto, Canada .
Eligibility	Open to all business, accounting, and sustainability students eligible to enter the A4S International Case Competition, subject to the right to work in the relevant location. A candidate shortlist will be selected from internship applicants whose team also reaches the semi-finals of the competition.
Remuneration	The internship will be paid. Remuneration will be benchmarked at the local rate for undergraduate/graduate interns, as appropriate.
Language requirements	English.
Other key points of note	Interns will be responsible for any visa, relocation, accommodation and subsistence costs arising out of the internship (whilst working at the base location). Expenses incurred during the internship will be subject to our Expense Policy. Paid time off will be provided in line with local labour regulations. Public holidays in the base location will also be honoured.

Brookfield is offering internship opportunities alongside the A4S International Case Competition as a way to reach talented students interested in the business. All internship applications from students who reach the semi-finals of the competition will be presented to Brookfield for their assessment. The identification of candidates selected for an internship will be solely at Brookfield's discretion. By submitting an internship application, you are confirming your understanding that A4S are not responsible nor liable for any aspect of the internship selection, appointment or experience.
